Artificial Grass Product Range

A luxurious, realistic alternative to natural grass

TruPutt: *A fantastic, hard-wearing, synthetic putting surface for outdoor golf putting greens*

Olive green colour ● Height 13mm ● Hardwearing polypropylene ● Sand infill optional, depending on use ● Durable, dense surface with curled, directionless pile

£23.50
per m²

TruPutt

- High quality, attractive colour and extremely durable surface
- Transform your lawn for family golf, no need to drive to the golf course to raise your game and lower your handicap
- Low maintenance – no more weeding, feeding, cutting or rolling
- Total peace of mind – we work with experienced installation partners for the best results
- TruPutt plays like a true golf green

TruPutt is also an ideal short pile artificial grass for the garden, roof terraces, patio, swimming pool surrounds, indoor/outdoor practice putting greens and many other uses. TruPutt blends with surrounding areas.

Adhesive 310ml Cartridge

£7.25 each

Easy to use, all weather adhesive. For joins, one adhesive cartridge, used with jointing tape, is about enough for a 3 metre join. When sticking grass down to a hard surface, adhesive is applied in a bead, or as spots, around the edges and one cartridge is about enough for a 10 metre long bead (i.e. about enough for a 10 metre edge).

Jointing Tape

£1.10 per metre

Used with the adhesive to make joins.

Cartridge Gun

£5.00 each

For applying Adhesive.
